

## REQUIRED DOCUMENTS FOR APPLYING

You can apply for a work-stay that should enable you to work for a limited period of time with the team of the studio and with our equipment. In certain cases the EXPERIMENTALSTUDIO provides a work-scholarship in addition to cover the expenses for travel, food and hotel here in Freiburg. The time-period you can stay here varies between 2-4 weeks.

For the procedure of applying you should send us:

- a letter saying on which kind of project you want to work on
- a curriculum vitae
- a letter of recommendation (if you have)
- a description of your project, if possible with time-schedule (how long will you need for the realization of your project?)
- sheet music/copies of your music (about 2-3)
- recording of your music (tapes, CDs, DATs ...) of which you provided us with scores (if possible) or other works

At least once a year the Kuratorium (committee) that decides about future scholars comes together. That is usually not before November. In this meeting they decide about the scholars of the year after the next.

Please send your application until **October 31st** to:

EXPERIMENTALSTUDIO des SWR e.V. Kartäuserstr. 45 79102 Freiburg Germany
