

REQUIRED DOCUMENTS FOR APPLYING

You can apply for a workstay in the SWR Experimentalstudio that should enable you to work for a limited period of time with the team of the studio and with our equipment. In certain cases the SWR Experimentalstudio provides a work-scholarship in addition to cover the expenses for travel, food and hotel here in Freiburg. The time-period you can stay here varies between 1-4 weeks.

For the procedure of applying you should send us via email:

- the completed application form
- a letter of recommendation (if you have)
- sheet music/copies of your music as pdf (about 2-3)
- recordings (mp3 or mp4) of your music you provided us with scores (if possible) or other works

At least once a year the Kuratorium (committee) that decides about future scholars comes together. That is usually not before November. In this meeting they decide about the scholars of the year after the next. That means that in 2023 the committee will decide about the workstays in 2025.

Please send your application digitally until **October 31st** to:

Stefanie.Haupt@swr.de or Experimentalstudio@swr.de
